Giant Banner Display

Single Arm Flag Size: 3.8' x 11.5'
Pole Height: Adjustable to 17.7'

Our Giant Outdoor Banner Display is the perfect solution for high quality, lightweight and portable Flag Advertising. The top banner arm keeps your flag perfectly presented while it rotates with the wind to keep it from blowing over.

Choose from a variety of bases for any application. Carry cases are included on most models to ensure easy storage and transportation.

Upscale banner/flag material is printed in ultra high-resolution using digital or screen dye-sub technology for bright, crisp images that resist fade and are maintenance free.

Choose from a variety of bases for any installation!
